BäSy-Farbmusterkarten-System

Vorstellung

Sehr geehrte Damen und Herren,

wir danken für Ihre freundliches Interesse und freuen uns, Ihnen unser **BäSy-Farbmusterkarten-System** vorstellen zu dürfen.

Unser **BäSy-Farbmusterkarten-System** ist ein hervorragend geeignetes Hilfsmittel bei der Präsentation von Stoff- und Textilmustern.

Die Farbkarten können ganz individuell nach Ihren Wünschen gestaltet und angefertigt werden. Das gilt sowohl für das Material des Deckblattes, als auch für die Anzahl und Form der Fenster, sowie das Format (meist wird DIN A4 verwendet) - **Einige Versionen sind als Standardkarten ab Lager in neutraler Form lieferbar.** -

Das zweite Blatt der Farbkarte besteht aus selbstklebendem Material und ist seitlich mit dem Deckblatt verleimt. Die Fenster sind hier nur angestanzt um die Schutzschicht für jedes Fenster einzeln abziehen zu können. Das ist immer dann sinnvoll, wenn man die Farbkarte nicht vollständig kleben kann, weil z.B. noch nicht alle Stoffproben vorliegen. Ist die Farbkarte komplett, zieht man die Schutzschicht rundherum, vom linken Rand her, ab und klappt die Karte zu. Bei Fenstern, die keine Stoffprobe beinhalten, wird die Schutzschicht normalerweise nicht entfernt, damit die Klebeschicht nicht freiliegt und um später evtl. noch eine Farbe hinzufügen zu können.

Von der einfachen Handhabung können Sie sich anhand von Mustern überzeugen, die wir Ihnen gerne auf Anfrage zusenden.

Wir danken für Ihr Interesse und wären sehr erfreut, wenn unser **BäSy-Farbmusterkarten-System** in Zukunft auch Ihnen zur erfolgreichen Präsentation Ihrer Produkte verhelfen könnte. Selbstverständlich stehen wir Ihnen für weitere Informationen gerne zur Verfügung.

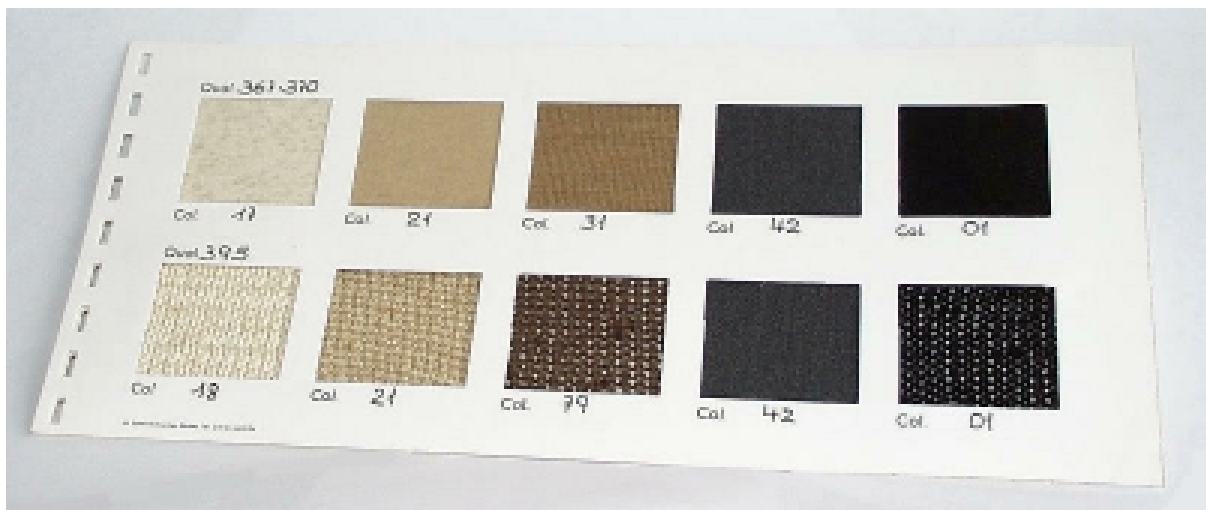

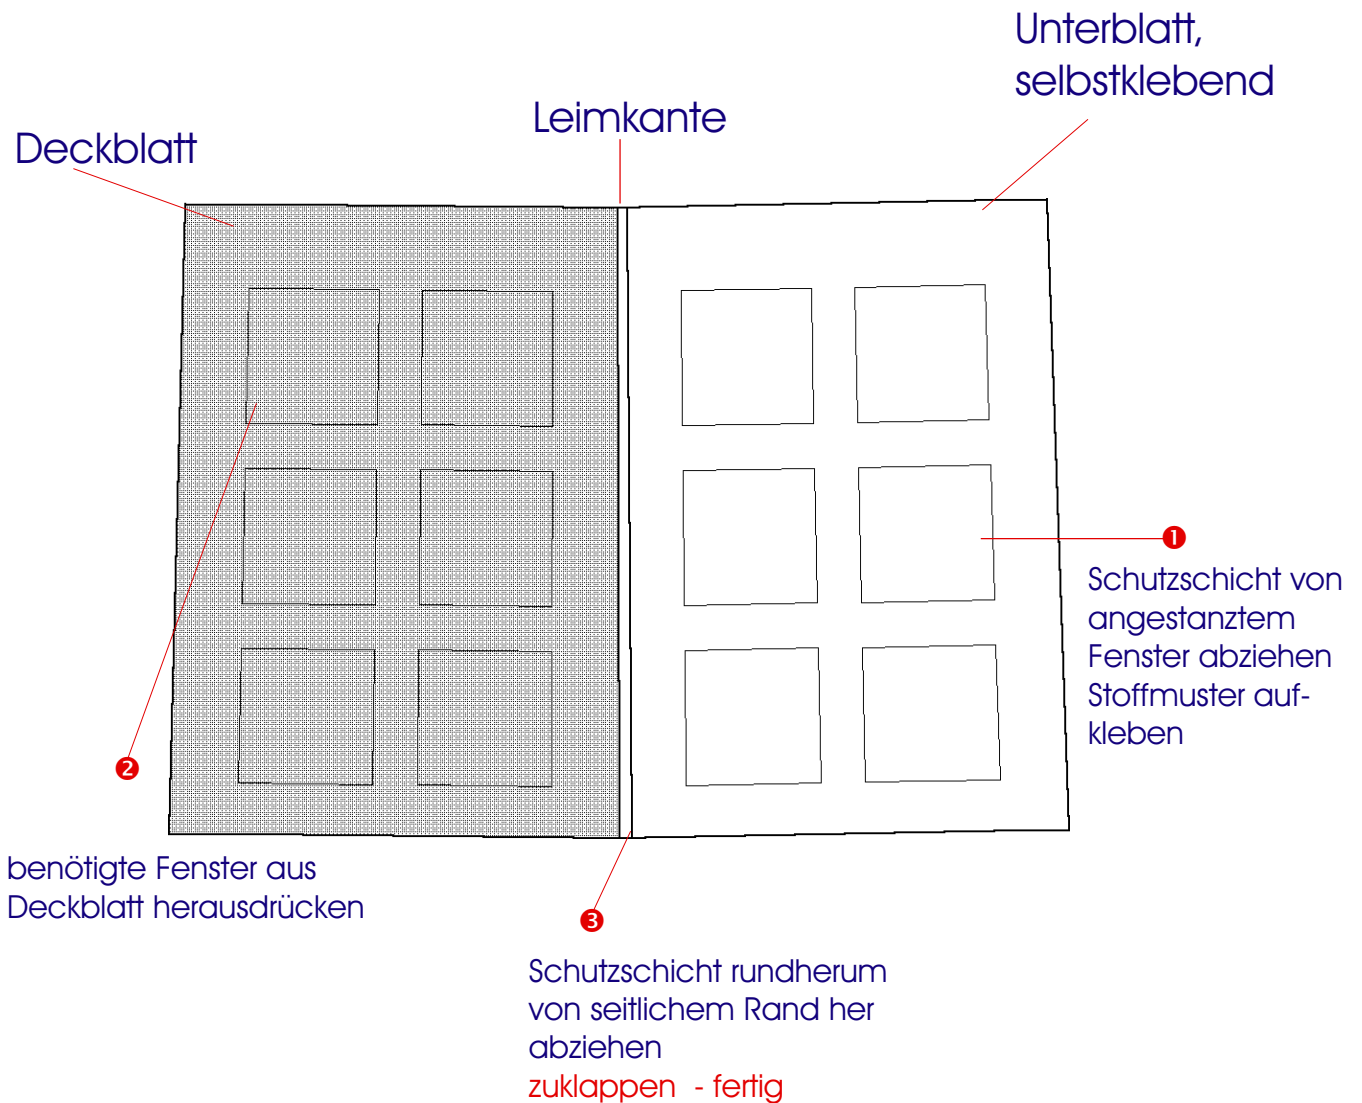

Fragen Sie uns! - Nutzen Sie unsere langjährige Erfahrung und unser Know How bei Problemlösungen.

Mit freundlicher Empfehlung
